Caring, Achieving, Making a Difference Together

Dear Parents and Carers,

Phonics

This week the children have all completed the Year 1 Phonics Screening Check. They have worked so hard and we are really proud of them.

You might like to write a few sentences about what you did in the holidays remembering capital letters, full stops, finger sentences and using the word 'and' to make sentences longer.

Maths

This week we have begun to look at place value between 50 to 100. You might like to look at numbers around the environment -e.g. house numbers and talk about what number comes before and what number comes after it. You might like to practise counting forwards and backwards from 50 to 100. Please see your child's book bag for a number square challenge.
